

# JESUS HELPS US

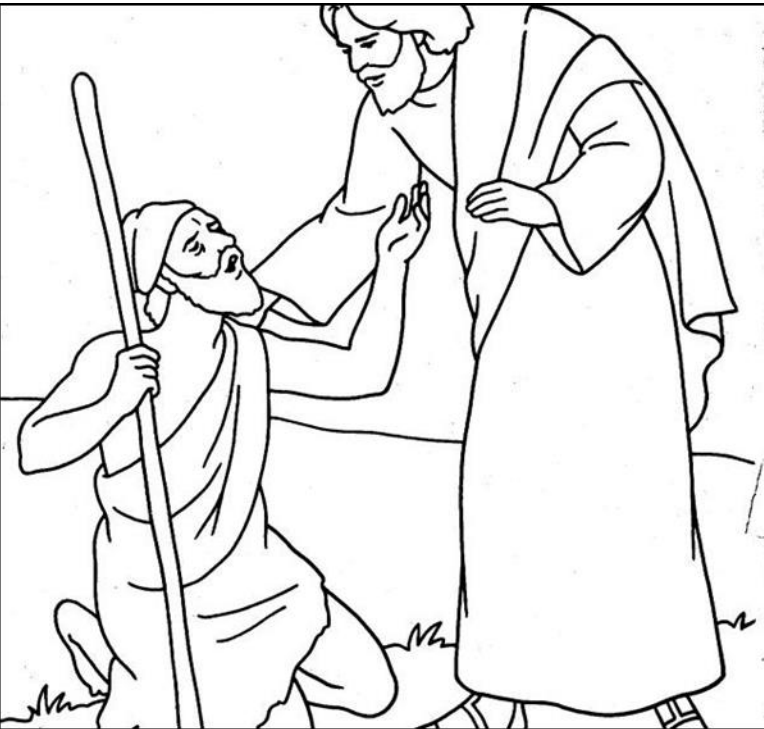

One day the friends of Jesus were caught in a storm at sea. They were **afraid**.

“Jesus, help us!” they shouted. Jesus said to the wind and waves, “Peace! **Be quiet!**”

When Jesus spoke, the storm **stopped**. The friends of Jesus said, “Who can this be? Even the wind and the sea **obey** Him. (from Mark 4:40)

**Jesus helped His friends who were afraid.**

Another day Jesus met a blind man named Bartimaeus. **Bartimaeus** called Him. “Jesus, have mercy on me!”

Jesus said, “What do you want Me to do for you?” Bartimaeus said, “I want to see!” Jesus said, “Good! Your faith has saved you..”

And at once Bartimaeus could see! He became a friend of Jesus . (from Mark 10)

**Jesus cured the sick. Jesus helped the blind man see.**

**REMEMBER**

Jesus helps us! He takes care of us through people who loves us like our parents, friends, and all the other people who takes care of us and who love us.
